Technology Enhancements

Software Service\$129

Get set up with new software or fix a problem with an existing program.

- Install, repair or upgrade any software
- Full hardware/software diagnostic check
- Clean computer inside and out

Memory Maximization\$49

Speed everything up by upgrading your memory (RAM) to accommodate your computing needs.

- Full hardware and software diagnostic check
- Clean computer inside and out

Utility Software Installation.....\$49

We can install antivirus and spyware software so it's done right and actually works.

- Installation of anti-virus and spyware
- Purchase software from HCH.

Software sold separately. Pricing for Utility Software Installation is valid only when purchased in conjunction with another HCH service.

Insurance Services

Insurance Damage Estimates.....\$129

When disaster strikes, we can assess the damages and ensure you get the right value for your computer equipment from the insurance company.

- A complete assessment of the value of your equipment (based on our prices for parts and labor)
Cost of assessment is usually covered in the insurance claim.

Tax not included - Additional charges may apply for all services - Prices listed are per service - Software and Hardware not included
